**Proposed Live Date for the new Cashless Meal System is:
Monday 7th July 2014**

Dear Parents/Carers

We are pleased to announce that Nourish is installing a new cashless catering system. This system incorporates the latest technology and eliminates the need for students to carry cash throughout the day.

It is also biometric, so there is no need for students to carry a card as the system will be using an algorithm based scan of student's thumb or finger, which reads between 50 and 130 points. It is **NOT** a fingerprint in any way, shape or form and is of use only in the cashless system. It is not possible to reconstruct a fingerprint using the biometric code stored on the system.

We intend to commence operating the system on Monday 7th July and as such no cash will be accepted at the canteen till points on this date or thereafter. Parents are encouraged to make payments on line, however Nourish have installed Cash Deposit Machines to accept cash from students prior to entering the dining room.

Any amount of money can be paid into a student's account, and any money spent on food and drink will be deducted on a daily basis.

All students and staff will be given training on how to use the system.

We have three payment options available to you – **online payments, coin and note payments at the Cash Deposit points, and by using a PayPoint Card at a local shop.** Further details regarding all payment options are explained in the Information Booklet which can be found on the school website

http://www.campion.northants.sch.uk/uploads/asset_file/3_0_nourish-information-booklet.pdf . This also contains FAQ's.

A daily 'spend limit' of **£5** per student will be programmed into the system. This can be increased or decreased for an individual student by the parent making a request to the Nourish office.

Students will be registered onto the system on 10th or 11th June 2014. Arrangements will be made for current Year 11 students returning to the Sixth Form to register during Sixth Form Induction. As per current legislation we will be operating an 'Opt In' policy for biometric registration and therefore, require you to complete and return the attached consent.

If you choose not to have your child registered on the Biometric System a four digit PIN Code will be allocated. Please note that PIN Codes do not have the same level of security and it will be your child's responsibility to remember the code and keep it secure at all times.

IMPORTANT NOTE:

Could you please complete and sign the reply slip below and return to Toni Wreford via your son/daughter's form tutor by no later than **FRIDAY 6th June 2014** to allow the registration process.

Yours faithfully
