Dear Parents/Carers

You may recall we conducted a parent's survey in January 2015 in which you were asked your views on our current model of Parents Evenings. Following this survey and feedback from Parents Forum we are planning to move to a new model from September 2015.

We are going to double the opportunities that you have to meet with staff and discuss your child's progress by introducing an extra Progress Review Day where you can meet with your child's form tutor and discuss your child's overall progress. You will still have the opportunity to meet with your child's subject teachers on a separate Progress Review Day. We will be closing the school earlier on these days in order to facilitate this; the revised timetable is shown below along with the dates for the year.

In September you will receive a letter detailing your allocated time for your appointment with your child's form tutor, along with a reminder of the date of the subject Progress Review Day.

We hope you agree that by doubling the amount of contact that parents and carers have with school, your child will be better supported in making the progress expected. We will continue to review the effectiveness of our new system throughout the year and would welcome feedback via Parent Forum or email to myself.

If you require further clarification please email me at [t.wilks@campion.northants.sch.uk](mailto:t.wilks@campion.northants.sch.uk)

Yours faithfully
