Dear Parent/Carer

Uniform Summary

Following several queries from parents relating to uniform, I have summarised below the key information regarding changes from September. These changes have been made following feedback from our students. **The table below shows the changes based on the year groups from September.** Old style blazers and jumpers will gradually be phased out once existing stock has been depleted. A more detailed breakdown of the uniform requirements from September, including changes to the method of ordering and suggested suppliers, is included in my letter dated 19th June.

From September:
