Dear Parents/Carers and Students.

APRIL PROGRESS REPORT

Please find attached a copy of your son/ daughter's latest progress report.

The **target grade** is the minimum expected target grade for AS. It is calculated by ALPS, a national organisation, and it is based on an individual student's prior performance at GCSE level.

The **working at grade** is the grade which the student is currently working at in lessons. This is based upon work completed and is dependent on students working consistently with the teacher until examinations.

Teachers have also provided information about students' engagement which covers their participation in lessons and their work outside lessons. This is based on a numbered scale and the descriptors are given overleaf. Subject tutors may have included mock exam grade where appropriate.

If you have any queries please do not hesitate to contact me at school.

Yours faithfully
