

5th March 2015

Dear Parents/Carers and Students.

MARCH PROGRESS REPORT

Please find attached a copy of your son/ daughter’s latest progress report.

The **target grade** is the minimum expected target grade for A2. It is calculated by ALPS, a national organisation, and it is based on an individual student’s prior performance at GCSE level.

The **working at grade** is the grade which the student is currently working at in lessons. This is based upon work completed and is dependent on students working consistently with the teacher until examinations. Subject tutors may have included a comment and a mock exam grade where appropriate.

Can I also take this opportunity to remind both students and parents that there are only a few weeks until examinations commence. Students should now be starting their revision and working towards final coursework deadlines. Effective use of the Easter holidays for this purpose will help to ensure students are successful at A level. We would expect students to set themselves six to eight hours of work a day as if they were in school.

If you have any queries please do not hesitate your son/daughter’s form tutor or contact me at school.

Yours faithfully
