

10th October 2014

Dear Parent/ Carer

Your son/daughter's full progress report is now accessible via the online reporting system. The link for this service can be found at the bottom of the Campion School's homepage <http://www.campion.northants.sch.uk>

This progress report contains a target grade for the end of Key Stage 4. The attainment level is an indication at what level your son/daughter is currently working at.

There is indication on the report of the progress that your son/daughter is making. This will give you an indication as to whether we feel they are likely to reach their end of Key Stage 4 target with current levels of effort, behaviour and achievement. Please read the descriptors carefully as they are slightly different from previous reports.

Your son/daughter will be discussing their progress report with their learning mentor/ tutor to ensure that in any subjects where they are in danger of not reaching their target, they understand what actions they need to take to improve their progress. Your son/daughter will have a paper copy of their progress report in their student planner.

If you have specific questions about your son/daughter's progress in a certain subject, please contact the subject teacher directly. If you have more general questions about the progress report format or about your son/daughter's progress in general, please contact your son/daughter's Form Tutor or Head of House (DSLIP).

Thank you for your continued support with your son/daughter's academic progress at Campion School.

Yours faithfully

Isobel Ashmead
Assistant Headteacher
