

12th December 2017

Dear Parents/Carers

The improvements in the weather and driving conditions mean that we plan to re-open Campion to all students and staff on Wednesday 13th December. I would still advise that students wear strong, sensible footwear; please reassure your child(ren) that they should not be concerned if their footwear does not meet our usual school uniform requirements whilst the snow remains.

We do not anticipate any reason why we cannot be open on Wednesday. Therefore should something unexpected occur between now and then, a further update will be provided by Parentmail and on the school website.

Thank you for your understanding during the past two days. I hope you and your family have remained safe and well despite the disruption caused by the weather.

I look forward to seeing your child(ren) at school tomorrow.

Best wishes

Claire Whitmore
Headteacher
