5<sup>th</sup> February 2018

Dear Parent / Carer,

In support of your child's revision program for the Science GCSE course, we are recommending the purchase of the below revision guides that can be ordered through the Learning Resource Centre.

The revision guides that we are recommending contain information and tasks for all units under study in the Science course.

Revision checklists can be found on 'Show My Homework'. Students should use the checklists to identify areas of strengths and weaknesses. Once they have been completed, students should use the revision guides to address any gaps in their knowledge. In addition they can also seek help at school from a Science teacher who will be happy to help.

The completion of revision does not act as a substitute for regular homework being completed. It does, however act as a tool to support independent study.

To order the guides, please fill in the reply slip below and return it to the LRC so that an order can be placed. Please pay on ParentPay by Friday 9<sup>th</sup> February.

If you have any queries, please do not hesitate to contact me.

Yours sincerely

Mr G. Holvey  
KS4 Intervention
