

CHANGE YOUR FUTURE.

Hello,

I am writing to you on behalf of our NCS team here at MK Dons Sport and Education Trust. Following the success of our NCS programmes throughout 2017 we are now getting set for our first NCS programme in 2018! We are currently recruiting for our NCS Summer 2018 programme for year 11's at Campion. We delivered an assembly to all year 11 students on Monday 5th February!

The NCS programme has been specifically designed for young people aged 16 and 17, take a look at their website <http://www.ncsyas.co.uk/>.

The NCS is an excellent opportunity for students to gain enrichment to support their studies during their time within 6th form or college, as well as preparation for apprenticeships, jobs, University and UCAS Applications.

If you are interested in signing up or want some more information please contact us on 01908 622883 or you can email us on ncs@mkdonsset.com.

We are offering a deal as part of our assembly so sign up by Monday 19th February and receive your place for just £35! This includes all your food, accommodation and travel during your residential's! Give us a call on 01908 622883 or return your completed sign up pack to school reception!

Many thanks,

The NCS Team
