Dear Parents/Carers

Your son/daughter's Autumn Progress report is now available to view online.

The **EoKS5** is the minimum expected target grade for A level. It is calculated by ALPS, a national organisation, and it is based on an individual student's prior performance at GCSE level.

The **Autumn Attainment** grade is the grade which the student is currently working at according to their teacher. The teacher will have commented on whether they feel your son/daughter is making sufficient progress to achieve their target grade in the summer.

Teachers have also provided an engagement score which summarises information about students' efforts, their participation in lessons and their work outside lessons. These are based on a numbered scale and the descriptors are given overleaf. Subject tutors may have included a comment where appropriate. If you have any queries about this report or any other issue please contact your son/daughter's form tutor or subject teacher directly.

Yours faithfully

Terrie Brown
Head of Sixth Form
